

GA  EMORE

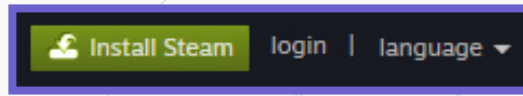

How to activate your game with Steam

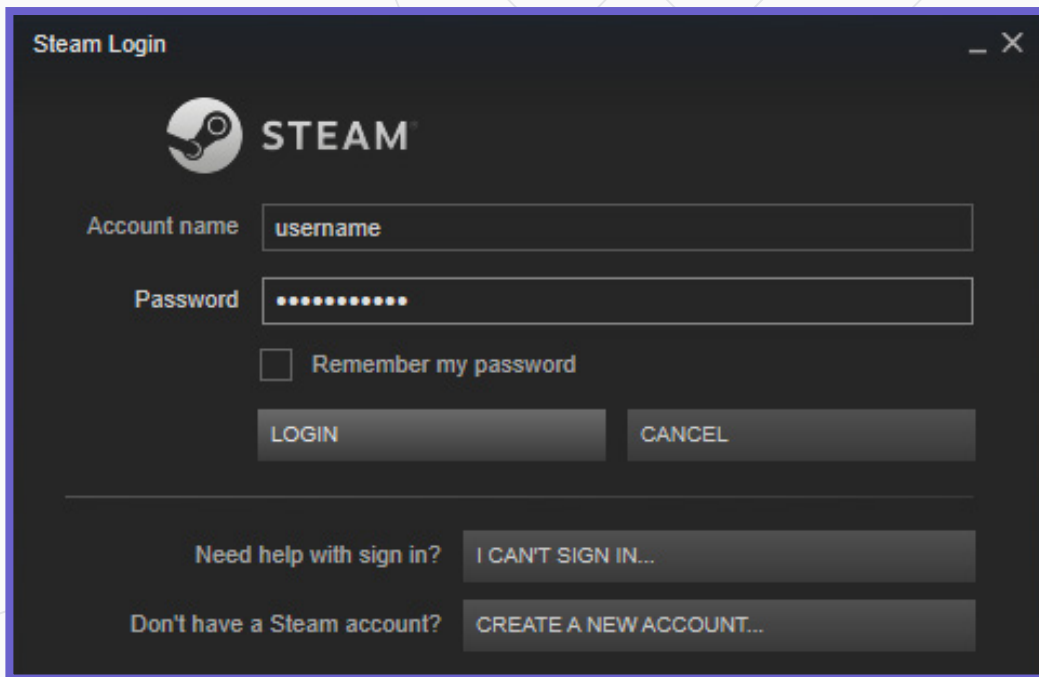

1. Go to store.steampowered.com/about

2. Click on "Install Steam".

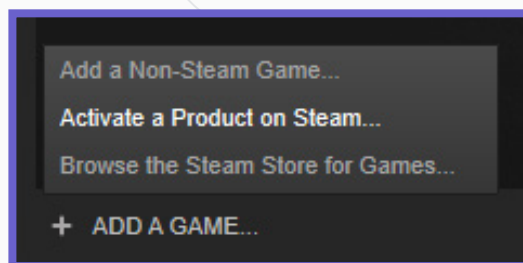

3. Once the client has been installed and running, please login with your username and password.
(Create an account if you do not already have one)

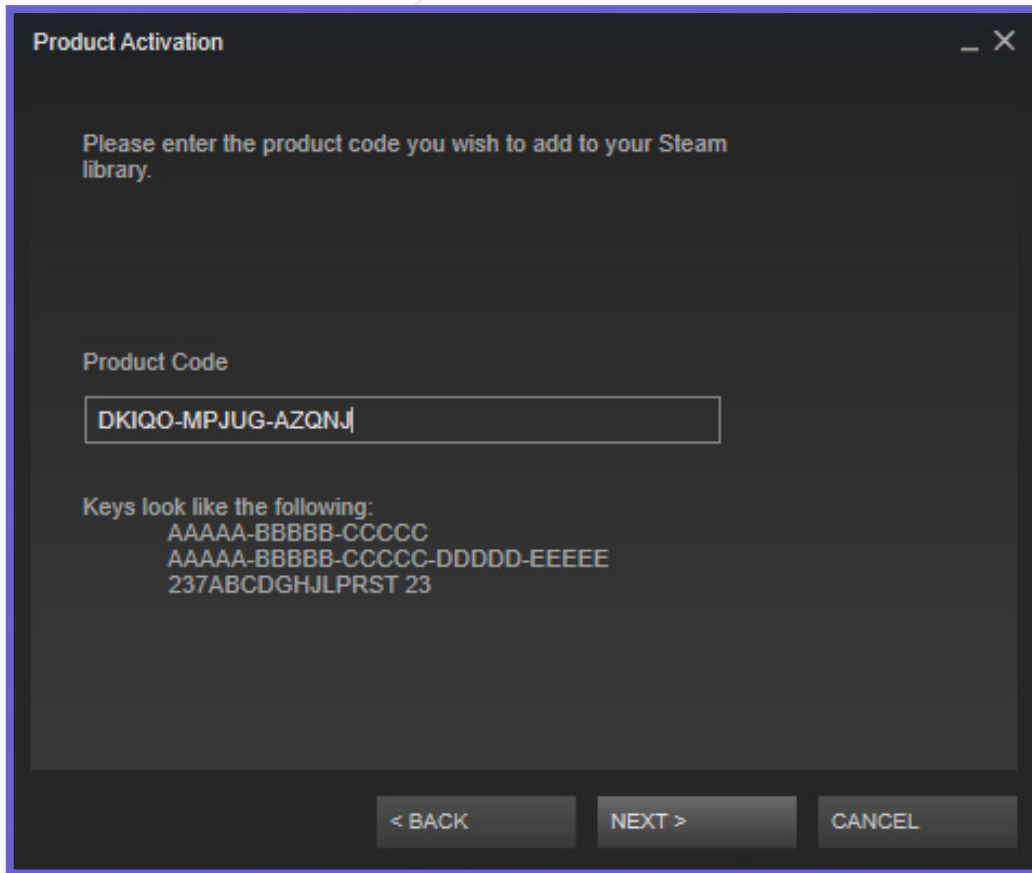

4. Once logged in, click "+ ADD A GAME..." in the bottom left corner.
(or use the "GAMES" tab in the main menu)

5. Select "Activate a Game/Product on Steam".

6. A window will then ask you to accept the "Steam Subscriber Agreement", press accept.

7. A window will prompt you to enter the code you purchased on Gamemore.

8. Steam will need a few minutes to approve your code.

9. The game is now visible on the list of all your games.

10. Press to start the transfer.
